

We hope you enjoyed DIG! Here are some ideas to keep the fun going at home...

### Sharing rhymes and songs

Wriggly worm, wriggly worm  
Watch him wriggle and watch him squirm  
Wriggly worm, wriggly worm  
Wriggly, wriggly worm.

Incy wincy spider climbed up the water spout  
Down came the rain and washed the spider out  
Out came the sun and dried up all the rain  
And incy wincy spider climbed up the spout again.

Dig digga, dig dig dig  
Dig digga, dig digga, dig dig dig

Shake shake-ah, shake, shake, shake  
Shake shake-ah, shake, shake –ah,  
Shake, shake, shake

Goodnight garden, goodnight all, goodnight worm, goodnight friends  
Goodnight garden, day ends, evening falls,  
Goodnight worm, good night all.

Goodnight garden, goodnight all, goodnight butterflies, goodnight friends  
Goodnight garden, day ends, evening falls,  
Goodnight butterflies, good night all.

Sleep when the night comes, sleep when the day is done,  
Close your eyes and sleep till the sunrise.

Goodnight garden, goodnight all, goodnight spider, goodnight friends  
Goodnight garden, day ends, evening falls,  
Goodnight spider, good night all.

Goodnight garden, goodnight all, goodnight bird, goodnight friends  
Goodnight garden, day ends, evening falls,  
Goodnight bird, good night all.

### Use an old sock for a worm or caterpillar hand puppet.

You could add googly eyes and a felt tongue too. Perfect to sing along to the Wiggly Worm song.

### Make a garden treasure box

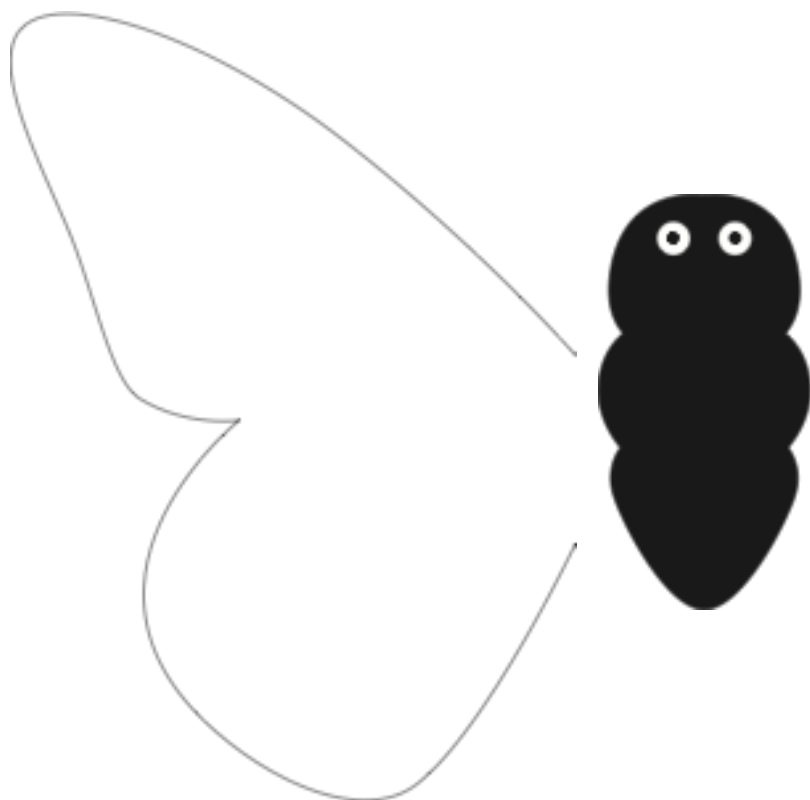

Any box will do...choose treasures your toddler finds in the park or garden; stones, feathers, leaves etc.

### Shakers

You can use any container with a firmly attached lid and put in dry pasta, rice, beans or peas, buttons etc. to sing along with the Shake Shak-ah song. Younger babies could roll the shaker across the floor.

### Make a butterfly finger puppet

Double this template wing on felt and cut out with two body templates. Sew up the sides of the body leaving the bottom open for your finger and a space at the top for the antenna. Sew on felt eyes and use cord for the antenna.
