

Jack Frost

Write a winter adventure poem about Jack Frost. First answer the following questions...

What kind of person is Jack Frost?

What does Jack Frost eat?

Where does Jack Frost live?

What is Jack Frost's favourite drink?

What does Jack Frost do when summer comes?

Think about these questions and think of some of your own and then see if you can use the answers to write your very own Jack Frost Poem, maybe you can use rhyme in your poem or alliteration.
